REMARKS

This is UNEVALUATED

25X1

1. Prior to late September 1954, an eight-family dwelling was completed about 100 meters outside the Soviet fuel depot in Minden and occupied by Soviet dependents. Motor vehicles picked up fuel at the depot. 25X1

2. In September, no fuel or oil arrived at the Minden fuel depot near Grunow. The following is a complete list of outgoing shipments in September:

2

1. Comment. The motor vehicle belong to vehicles of GSFG units and to vehicles of the 3rd AAA Div in Frankfurt/Oder. 25X1

2. Interpretation. Since the volume of traffic at the depot has been low up to this time, the 65 carloads dispatched in September are of interest and were probably used for the fall maneuvers. 25X1
